

Your NH Audubon Party Includes:

- An entertaining hour long, naturalist-led presentation including games, crafts, and live animals (depending on theme). The naturalist will be available for the entire two hours.
- Exclusive use of the live animal nature lab for the duration of the party.
- Table settings (table cloths, plates, cups, napkins, and utensils) and some decoration.

\$105 for members / **\$150** non-members

Limit 12 children (\$5/child above 12)

Party bags available by request. (\$5/bag)

(prices subject to change without notice)

**Revenue from our parties helps
support our animals and our programs!
Thanks for your support!**

For More Information

Call (603) 668-2045

Or email mac@nhaudubon.org

- Parties can be scheduled between 9 and 5 Tuesdays through Saturdays (subject to naturalist and facility availability). Other times can be arranged by special request.
- If you wish to serve food, you're welcome to bring your own or have it delivered. You will have access to our kitchen during the party.

You can help support our animals!

Consider our Adopt a Wild One program as a gift to the birthday child, or a donation towards our animal care supplies!

Ask for information when you are scheduling your party.

Nature Themed Birthday Parties

At the Massabesic Audubon Center

*Enjoy a unique birthday experience

*Parties for ages 4-12

*Choose from **8** different fun and educational themes!

26 Audubon Way, Auburn NH 03032

(603) 668-2045 or mac@nhaudubon.org

Celebrate your child's birthday with NH Audubon and have a fun and exciting party!

Choose from these 8 themes:

Snake and Cake

What is it like to live as a reptile? Enjoy learning about these fascinating cold blooded creatures as you party with a real live snake!

Happy bird-day

Learn all about our feathered friends! We'll say hello to our live owl and raven, make a fun feathery craft and play all kinds of bird-y party games.

Wilderness Survival Celebration

(ages 7 and up)

We'll party in the woods and learn the secrets of the forest. We'll make shelters out of sticks and leaves, learn about edible wild plants, and explore fire-building techniques around a campfire!

Animal Foot Festival

(winter only)

Come and learn the art of tracking! We'll discover different types of tracks and then go outside to see what we can find. We'll make our own personal tracking journals.

Buggy Birthday

Party with some six-legged critters as we learn about nature's tiny beauties! We'll go on a bug hunt and maybe get to hold a Madagascar Hissing Cockroach!!

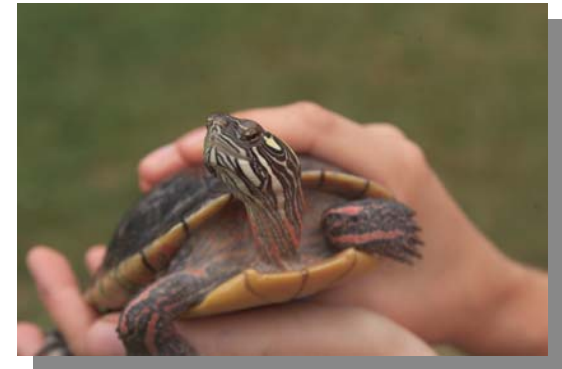

Froggy Frenzy

Get hoppin' with the amphibious crowd as you enjoy a party with some real, live, slimy characters! Play froggy party games and make a froggy craft to take home.

Shell-e-bration

Meet the living elders of all animals on the planet! We will become turtle friendly as we play turtle games, look at our live friends, and make a turtle craft to take home.

Pond Party

(summer only)

Come party at our pond and see who lives there! We'll try to catch turtles, frogs, and dragonflies, as well as looking at all the other little critters who live in the muck and mud!
