

## *Massabesic Audubon Center*

is one of five nature centers and 36 wildlife sanctuaries owned and operated by New Hampshire Audubon for the benefit of all New Hampshire's inhabitants, human and animal alike. We provide:

- Birdwatching trips and programs for birdwatchers of all ages and experience levels
- Environmental education programs for children, adults, families, and teachers
- Access to miles of scenic trails for nature study, exercise, and recreation
- Facilities available for rental: birthday parties, business meetings, weddings, and more
- Specialized programs in photography, herbology, handcrafting, and more
- Seasonal parties, activities, and celebrations
- Numerous opportunities for volunteering
- Countless opportunities for FUN!

*Follow signs from Rte 101 and Bypass 28*

## *Come Discover the Massabesic Audubon Center*

A wildlife sanctuary and nature center nestled in the woods next to Lake Massabesic, only a few minutes from downtown Manchester.

### *Watch Wildlife*

at our bird feeders, on the lake, and along our trails

### *Learn About Nature*

in our lectures, classes, and programs for all ages

### *Get Exercise*

walking on the five miles of field and forest trails that traverse our 130 acres.
