## Live Bluegrass Music: Wings and Strings

**Sunday, February 28, 1:00 - 4:00**

A group of very talented bluegrass musicians get together once a month to jam at the Massabesic Audubon Center, usually including a guitar, banjo, mandolin, upright bass, a resonator guitar and vocals. This family oriented acoustic stringed music is played from the heart and enjoyed by all. Watch our flyers or call for the dates of future sessions. Free.

### Sunday Programs

Massabesic Audubon Center offers a variety of family oriented activities for your enjoyment on Sundays this winter. Enjoy walking, skiing or snowshoeing our miles of trails. When you are done, come in from the cold and warm up with hot chocolate, tea or coffee. Learn from one of our Sunday programs or just tap your toes in time with our monthly bluegrass jam. Check our program listings for more information.

Normally, we are open from 11 to 4 on Sundays this winter, but winter weather can be tricky; opening and programs are subject to weather conditions. To be certain that a program is running on a given Sunday, please call in advance. To reach as wide an audience as possible, many of our programs are free. Our miles of trails are open daily at no charge from dawn to dusk. Your tax-deductible donations to support the Center are greatly appreciated.
